1. About This Website

The Website provides information about Agriplant Gardens, including our gardening and landscaping services, projects, products, collections and related activities.

Unless expressly stated otherwise, information displayed on the Website is provided for general informational purposes.

The Website does not currently constitute an online store, and displaying a product or service on the Website does not by itself constitute an offer to sell or provide that product or service.

2. Product and Service Information

We make reasonable efforts to ensure that information displayed on the Website is accurate and up to date.

However, products, plants, materials, colours, sizes, specifications, availability, services and other information may change from time to time.

Images are provided for illustrative purposes. In particular, plants and other natural products may vary in appearance, size, colour and other characteristics. Colours and finishes displayed on a screen may also differ from their actual appearance.

Unless expressly agreed with us in writing, information appearing on the Website should not be treated as a quotation, guarantee, contractual specification or professional advice relating to a particular project.

Please contact us directly if you require confirmation of current availability, specifications, pricing or suitability.

3. Landscaping and Gardening Information

Any gardening, planting, landscaping or maintenance information appearing on the Website is general in nature.

Actual conditions can vary considerably depending on factors including location, soil, irrigation, climate, exposure, maintenance and the individual characteristics of plants.

Information on the Website should therefore not replace project-specific professional advice where such advice is appropriate.

4. Quotations and Services

Enquiries submitted through the Website do not create a contract between you and SPA Linkflor LTD.

Where you request landscaping, design, maintenance or other professional services, the scope, price, timing and other applicable conditions may be set out separately in a quotation, proposal, agreement or other communication.

If there is a conflict between these Website Terms and the terms expressly agreed for a particular project or transaction, the expressly agreed terms for that project or transaction will apply to that matter.

Nothing in these Terms transfers any intellectual property rights to you.

6. Project Images and Portfolio

The Website may display photographs and descriptions of landscaping and other projects undertaken by Agriplant Gardens.

These materials are presented to demonstrate examples of our work and capabilities.

Project-specific designs, photographs and materials may also involve rights belonging to clients, architects, designers, photographers or other third parties. Their inclusion on our Website does not grant users permission to reproduce or use those materials.

7. Acceptable Use

You must not use the Website:

We aim to keep the Website available and functioning properly but cannot guarantee uninterrupted or error-free access.

We may modify, suspend or withdraw all or part of the Website without notice where reasonably necessary, including for maintenance, security or business reasons.

10. Liability

Nothing in these Terms excludes or limits liability where doing so would be prohibited by applicable law.

To the extent permitted by law, SPA Linkflor LTD will not be responsible for losses arising solely from reliance on general information displayed on the Website where project-specific, professional or current information should reasonably have been obtained directly from us.

We do not guarantee that Website content will always be complete, current or free from errors.

Nothing in these Terms affects any mandatory rights you may have under applicable consumer protection or other laws.
